

Carbon Health Download Instructions

How do I download my COVID-19 Test Results PDF?

Once logged in to your Carbon Health account, you can access the PDF of your test results in the 'My Health' section by scrolling and selecting 'Lab Results'. Once in 'Lab Results', select the test result you would like to view, scroll to the bottom of the page, and select the PDF icon on the bottom left side.

If you are using the Carbon Health mobile app, use the Export button on the bottom left to email or message your results PDF.

If you are on the Carbon Health desktop site, use the Download button in the top right corner to obtain your results PDF.
