

Date of Birth

1. Select the calendar icon at the far right of the field.

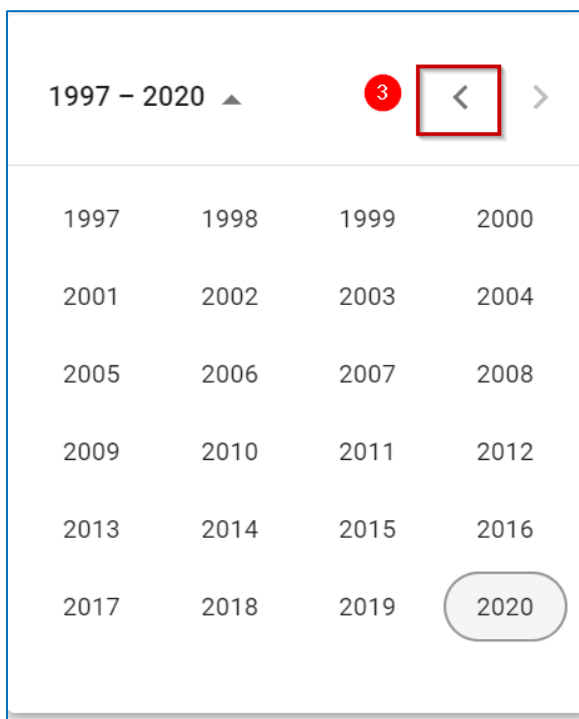

A screenshot of a form field labeled "Date of Birth *". On the right side of the field, there is a small calendar icon. A red circle with the number "1" is placed above the icon, and a red rectangle highlights the icon itself.

2. Select the drop-down arrow at top left next to the year.

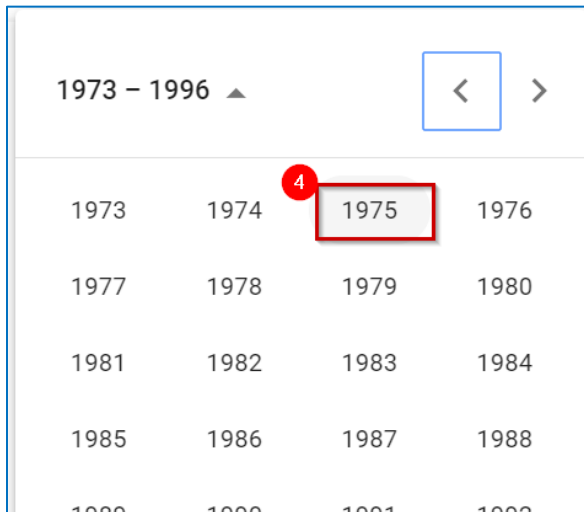

A screenshot of a calendar interface. At the top left, it shows "DEC 2020" with a small downward-pointing arrow next to it. A red circle with the number "2" is placed above the arrow, and a red rectangle highlights the arrow. To the right of the date are left and right navigation arrows. Below the date is a header row with the days of the week: S, M, T, W, T, F, S. The main calendar grid shows the month of December with dates from 1 to 31. The date "14" is circled in grey.

3. If your birth year is not visible, use the arrows until your birth year is in the list.

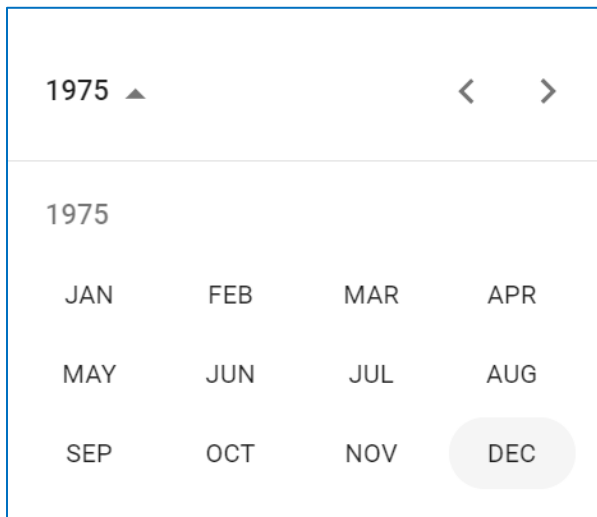

A screenshot of a year selection interface. At the top left, it shows "1997 - 2020" with a small upward-pointing arrow next to it. A red circle with the number "3" is placed above the right navigation arrow, and a red rectangle highlights the left navigation arrow. Below the date range is a list of years from 1997 to 2020, arranged in a grid. The year "2020" is circled in grey.

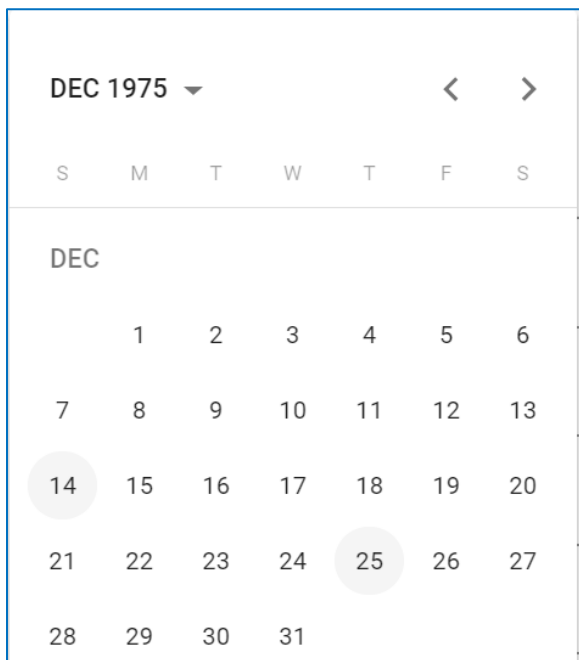

4. Click on your birth year. Example: 1975 below

5. Click on your birth month.

6. Click on your birth day.

7. Your birthdate will appear after step 6. Ensure that it is correct.

Date of Birth *
12/25/1975
